- Animal Rescue
- Project and Program Management
- Budgeting and Expense Management
- Volunteer Management and Training

### **EDUCATION**

**State University**  
State College, CA  
Bachelor of Science

### **TESTIMONIAL**

*"Morris is one of those people who jumps in to help wherever help is needed, but then acts like she doesn't do enough. He has saved our butts more times than we can count. As a gifted contractor with amazing networking skills, Morris stepped in and solved many of our deadline headaches...He's always helping sassy dogs in training classes, doling out advice at shots fairs, or raising his hand to foster."*

## **PROFESSIONAL EXPERIENCE**

### **Animal Care and Handling**

- As a member of the US Humane Society Deployment Team, assisted with the care and handling of 470+ dogs involved in the 2nd largest dog fighting criminal case in the United States. Provided care to animals in temporary shelters, including cleaning cages and enclosures, feeding, watering, restocking supplies, washing dishes, walking dogs, or socializing animals as directed.
- Supported dog training classes to develop and maintain desired animal behaviors for socialization, obedience, and other related areas.
- Examined and observed animals to detect signs of illness, disease, or injury. Liaison with veterinary and shelter staff on animal health and behavior concerns.
- Trained in protocols and procedures of safe animal training, handling, and care.
- Fostered various dog breeds specializing in pit bull breeds.

### **Animal Adoption Event Promotion, Coordination, and Management**

- Key player in 4 annual pet adoption events and shot fairs with 200+ attendees.
- Responded to questions from patrons, and provided information about animals, such as owner support, animal handling, and successful human and pet interactions and techniques.
- Educated event volunteers on proper techniques for handling animals and managing customers seeking pets for adoption.
- Promoted future animal welfare events and fundraising activities.
- Referred customers to free or low cost animal services and training programs.
- Completed home checks for animal safety and landlord verifications.
