ABOUT MADELYN

Madelyn Mackie, CCMC, is a Certified Career Management Coach, professional resume writer, and LinkedIn expert. She draws on her experience of navigating four high-profile career environments—the lab, the stage, the C-suite, and the owner's box. Madelyn is a published biochemistry researcher, was as a stage and production manager at four Tony Award-winning theatres, served as an Officer with the American Red Cross, and is the CEO of Madelyn Mackie & Associates, a career management and consulting firm focused on helping individuals move past their fears and advance their careers.
