ABOUT MADELYN

Madelyn Mackie is the career activator! As a Certified Career Management Coach, Nationally Certified Online Profile Expert, member of the National Résumé Writers' Association, and former board member of the National Speakers Association, Madelyn offers conference keynotes, professional development trainings, and career coaching to help her clients design unique, job-getting documents, build successful career plans, and create lifelong success.

Her clients have landed positions at **Amazon, Apple, American Red Cross, AutoDesk, Facebook, Genentech, Google, Kaiser Permanente, Mozilla, Safeway, Salesforce, Pacific Gas & Electric, Tripit.com, NFL Super Bowl Host Committee, Wells Fargo Bank NA,** and several tech firms, healthcare agencies, educational institutions, and nonprofit organizations.

In addition to her private clients, Madelyn is a lead trainer and senior consultant for the national outplacement firm Lee Hecht Harrison, where she has been assigned to work with VIP clients like the **Oakland Raiders, Blue Shield of California, Chevron, Novartis International AG, and Twitter.**

A sample of Madelyn's resume work can be found in *Modernize Your Resume: Get Noticed ... Get Hired* (Emerald Publishing) by master resume writers Wendy Enelow and Louise Kursmark and she has been quoted in articles on Glassdoor.com, Ivy Exec, and A Great Days Work.

Madelyn draws on her experience of navigating four high-profile careers – the lab (as a published biochemistry researcher), the stage (as a stage and production administrator at four Tony Award-winning theaters), the C-suite (as an officer with the American Red Cross), and the owner's box (CEO of Madelyn Mackie & Associates, a career management and professional development firm) – to help individuals activate their career dreams.
